## **2. STATE OF COMPANY'S AFFAIRS AND FUTURE OUTLOOK**

IFCI Infrastructure Development Limited (IIDL) was set up by IFCI Limited in the year 2007 to venture into the real estate and infrastructure sector. The Company, since its inception has undertaken projects as a Developer/ Project Management Consultant (PMC) viz. Development of residential projects at Uttar Pradesh & Kerala, Development and running of Serviced Apartments; PMC services for construction of the campus of "**Management Development Institute**" at Murshidabad, West Bengal; "**IFCI Bhawan**" the office complexes at Bengaluru & Ahmedabad; Furnishing the branches of erstwhile "**Bharatiya Mahila Bank**" at New Delhi, Ahmedabad, Guwahati, Kolkata, Bangalore and Chennai.

IIDL owns the Serviced Apartments situated at Mayur Vihar, New Delhi. This is Gold Standard property with 92 luxurious Serviced Apartments comprising studio, one bedroom & two-bedroom apartments. It offers an ideal living environment that will impress even the most tech-savvy guests. The property is being run by IIDL under the name IIDL Suites.

On the residential front, IIDL has successfully developed two projects viz. 21<sup>st</sup> Milestones Residency, Ghaziabad, Uttar Pradesh and IIDL Aerie at Panampilly Nagar, Kochi, Kerala. Projects are complete and handed over to respective Resident Welfare Associations/ Owners Apartments Association.

IIDL is developing a prestigious **Financial City Project** spread over an area of 50 acres near Bengaluru International Airport, Karnataka. IIDL has developed the common infrastructure for the said project and has sub-leased the plots to various Banks/Institutions for development.

IIDL owns properties at various locations of the country such as Delhi, Kolkata, Ghaziabad, Pondicherry etc. Some of which have been let out & some have been earmarked for development/sale at a future date. Some of the properties with legal issues are being dealt appropriately.

A subsidiary of your Company viz. IIDL Realtors Private Limited (IRPL) is also having a commercial property situated at Naman Centre, Bandra Kurla Complex, Mumbai.

Your Company is making effort to monetize best value from its properties, also efforts are being made for optimizing performance of hospitality division by providing state of art facilities.

**SECRETARIAL AUDIT REPORT  
FOR THE FINANCIAL YEAR ENDED 31<sup>ST</sup> MARCH, 2025**

*[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies  
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]*

To  
The Members,  
**IFCI Infrastructure Development Limited**

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate governance practice by **IFCI Infrastructure Development Limited** (hereinafter called "the Company"), incorporated on 10<sup>th</sup> October, 2007 having CIN: **U45400DL2007GOI169232** and Registered office at IFCI Tower, 61 Nehru Place, New Delhi -110019. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2025 ("The period under review") complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company and have relied on the records, documents and information shared to us by the Company, for the Financial Year ended on 31st March, 2025, according to the following provisions of (including any statutory modifications, amendments, or re-enactment thereof for the time being in force):

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and the Bye-Laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; *[Not Applicable to the Company during the Audit Period under review]*
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
  - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 *[Not Applicable to the Company during the Audit Period under review]*;
  - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations,

2015/*[Not Applicable to the Company during the Audit Period under review]*;

- c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 *[Not Applicable to the Company during the Audit Period under review]*;
- d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 *[Not Applicable to the Company during the Audit Period under review]*;
- e) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 *[Not Applicable to the Company during the Audit Period under review]*;
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client *[Not Applicable to the Company during the Audit Period under review]*;
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021- *[Not Applicable to the Company during the Audit Period under review]*;
- h) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 and Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 *[Not Applicable to the Company during the Audit Period under review]*;

We further report that we have also examined, on test-check basis, the relevant documents and records maintained by the Company according to the following laws applicable specifically to the Company:

- (i) Real Estate (Regulation and Development) Act, 2016;
- (ii) The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013;
- (iii) The Employer's Provident fund & Miscellaneous Provisions Act, 1952;
- (iv) The Maternity Benefit Act, 1961.

We have relied on the representation made by the Company and its officers for the systems and the mechanism formed by the company for the Compliances under the applicable Acts and the regulations to the Company.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India;- *Complied with.*
- (ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 - *[Not Applicable to the Company during the Audit Period under review]*.

During the period under review, the Company has complied with the applicable provisions of the Companies Act, 2013

We further report that-

The Board of the Company is duly constituted. The changes in the composition of the Board of Directors and Key Managerial Personnel that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent as per the provisions of the Companies Act, 2013 and the rules made thereunder, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through the unanimous consent of all the Board of Directors and recorded as part of the minutes.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA  
UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL  
STATEMENTS OF IFCI INFRASTRUCTURE DEVELOPMENT LIMITED FOR THE  
YEAR ENDED 31 MARCH 2025**

The preparation of financial statements of IFCI Infrastructure Development Limited for the year ended 31 March 2025 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditor appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act is responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 30 April 2025.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of IFCI Infrastructure Development Limited for the year ended 31 March 2025 under Section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditor and is limited primarily to inquiries of the statutory auditor and company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under Section 143(6)(b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report:

**A Comment on Profitability**

**A.1 Statement of Profit and Loss**

**Other Income (Note No. 32): ₹2,119.06 lakh**

**Interest Income: Earned and Accrued on Deposits: ₹1,279.94 lakh**

**Retained Earnings – Opening Balance {Note No. 20 (ii)}: ₹1,241.13 lakh**

As per the Significant Accounting Policy No. 1.23 (Prior Period Items), material prior period errors are corrected retrospectively by restating the comparative amounts for prior period presented in which the error occurred or if the error occurred before the earliest period presented, by restating the opening statement of financial position.

However, interest income of ₹100.29 lakh relating to the period, prior to the financial year 2024-25 was recognised in the Statement of Profit and Loss for the current year (i.e. 2024-25) instead of adjusting it against the retained earnings of the previous year, in line with the above stated accounting policy.

This has resulted in overstatement of Profit for the year and understatement of opening balance of retained earnings by ₹100.29 lakh besides non-compliance to the aforesaid accounting policy of the Company.

**B. Comment on Independent Auditor's report**

**B.1 Independent Auditor's Report dated 30 April 2025**

As per Rule 11(g) of the Companies (Audit and Auditors) Amendment Rules, 2021, the Statutory Auditor shall have to report whether the company has used such accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software and the audit trail feature has not been tampered with and the audit trail has been preserved by the company as per the statutory requirements for the record retention.

However, the reporting by the Statutory Auditor under point no. 3 (B) vi. of Report on Other Legal and Regulatory Requirements was deficient as the same was silent regarding preservation of the audit trail.

For and on behalf of the  
Comptroller & Auditor General of India

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) READ WITH SECTION 129(4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF IFCI INFRASTRUCTURE DEVELOPMENT LIMITED FOR THE YEAR ENDED 31 MARCH 2025**

The preparation of consolidated financial statements of IFCI Infrastructure Development Limited for the year ended 31 March 2025 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditor appointed by the Comptroller and Auditor General of India under section 139 (5) read with section 129 (4) of the Act is responsible for expressing opinion on the financial statements under section 143 read with section 129 (4) of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 30 April 2025

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the consolidated financial statements of IFCI Infrastructure Development Limited for the year ended 31 March 2025 under section 143(6)(a) read with section 129 (4) of the Act. We conducted a supplementary audit of the financial statements of IFCI Infrastructure Development Limited (the Company) but did not conduct supplementary audit of the financial statements of IIDL Realtors Private Limited (the subsidiary) for the year ended on that date. This supplementary audit has been carried out independently without access to the working papers of the statutory auditor and is limited primarily to inquiries of the statutory auditor and company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under section 143(6)(b) read with section 129 (4) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the consolidated financial statements and the related audit report:

**A Comment on Consolidated Profitability**

**A.1 Consolidated Statement of Profit and Loss**

**Other Income (Note No. 32): ₹2,176.44 lakh**

**Interest Income: Earned and Accrued on Deposits: ₹1,368.90 lakh**

**Retained Earnings – Opening Balance {Note No. 20 (ii)}: ₹1,576.02 lakh**

As per the Significant Accounting Policy No. 1.23 (Prior Period Items), material prior period errors are corrected retrospectively by restating the comparative amounts for prior period presented in which the error occurred or if the error occurred before the earliest period presented, by restating the opening statement of financial position.

However, interest income of ₹102.77 lakh relating to the period, prior to the financial year 2024-25 was recognised in the Consolidated Statement of Profit and Loss for the current year (i.e. 2024-25) instead of adjusting it against the retained earnings of the previous year, in line with the above stated accounting policy.

This has resulted in overstatement of Profit for the year and understatement of opening balance of retained earnings by ₹102.77 lakh besides non-compliance to the aforesaid accounting policy of the Company.

**B. Comment on Independent Auditor's report**

**B.1 Independent Auditor's Report dated 30 April 2025 on consolidated financial statements**

As per Rule 11(g) of the Companies (Audit and Auditors) Amendment Rules, 2021, the Statutory Auditor shall have to report whether the company has used such accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software and the audit trail feature has not been tampered with and the audit trail has been preserved by the company as per the statutory requirements for the record retention.

However, the reporting by the Statutory Auditor under point no. 3 (B) vi. of Report on Other Legal and Regulatory Requirements was deficient as the same was silent regarding preservation of the audit trail.

## **INDEPENDENT AUDITOR'S REPORT**

**To the Members of IFCI Infrastructure Development Limited**

**Report on the audit of the Standalone Financial Statements**

### **Opinion**

We have audited the Standalone Financial Statements of IFCI Infrastructure Development Limited ("the Company") which comprise the Standalone Balance sheet as at 31 March 2025, and the Standalone Statement of profit and loss (including other comprehensive income), Standalone Statement of changes in equity and Standalone Statement of cash flows for the year then ended, and notes to the Standalone financial statements, including material accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, and its profit and other comprehensive income, changes in equity and its cash flows for the year then ended.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

### **Other Information**

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual report, but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## **Responsibilities of Management's and Those Charges with Governance' for the Standalone Financial Statements**

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the Standalone Financial Statements made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required under Section 143(5) of the Companies Act'2013, we enclose herewith, as per 'Annexure-B' and 'Annexure-C' our report for the company on the Directions and Sub-directions respectively, issued by the Comptroller & Auditor General of India.
3. (A) As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Standalone Balance sheet, the Standalone Statement of profit and loss (including other comprehensive income), the Standalone Statement of changes in equity and the Standalone Statement of cash flows dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting standards specified under section 133 of the Act.
  - e) The provision of Section 164(2) of the Companies Act, 2013 in respect of disqualifications of directors are not applicable to the Company being Government Company in terms of notification no. G.S.R. 463 (E) dated 5 June 2015 issued by the Ministry of Corporate affairs.
  - f) With respect to the adequacy of the internal financial controls with reference to the Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure D'.
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations as at 31 March 2025 on its financial position in its Standalone Financial Statement – refer Note 47 to the Standalone Financial Statements.
  - ii. The Company was not required to recognise a provision as at 31 March 2025 under the applicable law or accounting standards, as it does not have any material foreseeable losses on long-term contracts. The Company did not have any long-term derivative contracts as at 31 March 2025.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year.
  - iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
    - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or
    - provide any guarantee, security, or the like on behalf of the Ultimate Beneficiaries.
  - (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
    - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or
    - provide any guarantee, security, or the like from or on behalf of the Ultimate Beneficiaries.

- (c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (iv.) (a) and (iv.) (b) contain any material misstatement.
- v. The dividend declared and paid during the year by the Company is in compliance with Section 123 of the Act.
- vi. Based on our examination which included test checks, the company has used accounting softwares for maintaining its books of account, which has a feature of recording audit trail (edit log) facility and the same operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.
- (C) The provision of Section 197 read with Schedule V to the Act with respect to managerial remuneration is not applicable on a government company. Therefore, we are not required to comment thereon.

**Annexure A to the Independent Auditor's Report on the Standalone Financial Statements of IFCI Infrastructure Development Limited for the year ended 31 March 2025**

**(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

i.

- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the company has a regular program of physical verification of its Property, Plant and Equipment and right-of-use assets are verified in the phased manner over a period of three years. In accordance with this programme, certain Property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the title deed of immovable property (other than immovable properties where the company is the lessee and the lease agreements are duly executed in favor of the lessee) disclosed in the standalone financial statements are held in the name of the Company as at Balance sheet date, except for the following:

Description of property	Gross carrying value	Held in name of	Whether promoter, director or their relative or employee	Period held – indicate range, where appropriate	Reason for not being held in name of company*
Property located at Pangoorvell, Ariyur Revenue Village, District-Villanpur, Puducherry having area of 21.279 acres	Rs. 10.01 Crores	IFCI Infrastructure Development Limited (through sale certificate issued by IFCI Ltd)	No	14 years & 08 months	One of the survey number identified as temple land due to which registration has not taken place.  IIDL is in the process of resolving the issue with concern authority.

- (d) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not revalued any of its Property, Plant and Equipment (including Right-of-Use assets) or intangible assets or both during the year.
- (e) According to the information and explanation given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.

- ii. (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable, and procedures and coverage as followed by the management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class inventory.
- (b) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company does not have any working capital limit. Accordingly, clause 3(ii)(b) of the order is not applicable.
- iii. According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnerships during the year.
- iv. According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not given any loans, or provided any guarantee or security as specified under Sections 185 and 186 of the Companies Act, 2013. In respect of the investments made by the Company, In our opinion the provision of section 186 of the Act have been complied with.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
- vi. The Central Government has prescribed maintenance of cost records under sub-section (1) of section-148 of the Companies Act. The Company has maintained the prescribed records. However, no separate cost records have been maintained.
- vii. In respect of statutory dues:
- (a) The Company does not have liability in respect of Sales tax, Service tax, Duty of excise and Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into Goods and Services Tax.
- According to the information and explanation given to us and on the basis of our examination of records of the Company, amounts deducted/accrued in the books of accounts in respect of undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Duty of Custom, Cess and other material statutory dues applicable to it have generally been regularly deposited with the appropriate authorities except for slight delays in a few cases.
- There are no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Duty of Custom, Cess and other material statutory dues in arrears as at 31 March 2025 for a period of more than six months from the date they became payable.
- (b) According to the information and explanation given to us, statutory dues referred to in subclause (a), which have not been deposited on account of any dispute are as under:

Name of the Statute	Amount (Rupees in lakhs)	Period for which amount related	Forum where dispute pending
Income Tax Act, 1961	57.94	AY 2012-13	CIT(A)
Income Tax Act, 1961	49.07	AY 2013-14	CIT(A)
Income Tax Act, 1961	98.73	AY 2014-15	CIT(A)

Income Tax Act, 1961	79.85	AY 2015-16	CIT(A)
Income Tax Act, 1961	24.16	AY 2016-17	CIT(A)

Assessment Year / State	Amount (Rupees in lakhs)	Forum from where demand pending / addition imposed
2017 - 18 / Delhi	31.08	GST Appellate

- viii. According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- ix. (a) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company did not have any loans and borrowings from any lender during the year. Accordingly, clause ix(a) of the order is not applicable.
- (b) According to the information and explanation given to us and on the basis of our examination of the records of the company, the Company has not been declared a willful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the information and explanation given to us by the management, the company has not obtained any term loans. Accordingly, clause ix(c) of the order is not applicable.
- (d) According to the information and explanation given to us on an overall examination of the balance sheet of the Company, we report that no funds have been raised on short-term basis by the company. Accordingly, clause ix(d) of the order is not applicable.
- (e) According to the information and explanation given to us on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013.
- (f) According to the information and explanation given to us and procedures performed by us, we report that the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013.
- x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, clause 3(x)(a) of the Order is not applicable.

- (b) According to the information and explanation given to us and on the basis of our examination of the records of the company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally). Accordingly, clause 3(x)(b) of the order is not applicable.
- xi. (a) Based on the examination of the books and records of the company and according to the information and explanation given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the company has been noticed or reported during the course of audit.
- (b) According to the information and explanation given to us, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) According to the information and explanation given to us, no whistleblower complaints received by the Company during the year.
- xii. According to the information and explanation given to us, the Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion and according to the information and explanation given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable and the details of the related party transactions have been disclosed in the financial Statements as required by the applicable Accounting standards.
- xiv. (a) Based on the information and explanations provided to us and our audit procedures, in our opinion the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the reports of the internal auditor for the year ended 31 March 2025 furnished to us;
- xv. In our opinion according to the information and explanation given to us the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
- (b) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
- (c) The company is not a core investment company (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016). Accordingly reporting under clause 3(xvi)(c) of the Order is not applicable.
- (d) According to the information and explanation provided to us during the course of audit, the Group does not have any CIC. Accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year. Accordingly, clause 3(xviii) of the order is not applicable.
- xix. According to the information and explanation given to us on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Financial Statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and

when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. A) Based on our audit procedure and as per the information and explanations given to us by the management, the Company has only ongoing projects i.e. there are no other than ongoing projects.
- B) Based on our audit procedures and as per the information and explanations given to us by the management, the unspent amount by the Company towards CSR as on 31 March 2025 amounts to Rs 20.36 Lakhs, out of which the Company spent Rs 4.5 Lakh in April 2025 and the balance amount of Rs. 15.86 Lakh has been transferred to special account in compliance with the provisions of Section 135(6) of the Act as on 30 April 2025.

**Annexure - B to the Independent Auditor's Report**

**Report in terms of Directions issued by the Comptroller & Auditor General of India under section 143(5) of the Companies Act'2013 for the financial year 2024-2025**

1. Whether the company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.

According to the information and explanations given to us and based on our audit, all the accounting transactions are routed through IT system (i.e. Tally software in Head Office and SAGE 300 ERP/HIS/IDS software in IIDL Suites) except the demand letters issued to buyers and rental invoices issued to tenants. Demand letters issued to buyers and rental invoices issued to tenants are usually sent through MS-Office.

We have neither been informed nor we have come across during the course of audit any accounting transactions having an impact on the integrity of the accounts along with the financial implications which have been processed outside the IT system.

2. Whether there is any restructuring of an existing loan or cases of waiver/write off of debts/loans/interest etc. made by a lender to the company due to the company's inability to repay the loan? If yes, the financial impact may be stated. Whether such cases are properly accounted for? (In case, lender is a government company, then this direction is also applicable for statutory auditor of Lender Company).

During the year, there is no instance of any restructuring of any existing loan or cases of waiver/write-off of debts/loans/interest etc. made by a lender to the Company.

3. Whether funds (grants/subsidy etc.) received/receivable for specific schemes from Central /State Government or its agencies were properly accounted for/utilized as per its term and conditions? List the cases of deviation.

We have been informed that the Company has neither received, nor any such funds are receivable by the Company for specific schemes from Central/State Government or its agencies for the financial year 2024-25.

**Report in terms of Sub-directions issued by the Comptroller & Auditor General of India under section 143(5) of the Companies Act'2013 for the financial year 2024-25**

**1. Investments:**

Whether the titles of ownership in respect of CGS/ SGS/ Bonds/ Debentures etc. are available in physical/demat form and these, in aggregate, agree with the respective amounts shown in the Company's books of accounts? If not, details may be stated.

**The company invested Rs. 75 Crores in Bonds issued by IFCI Limited. The possession of these bonds is in demat form and the same has been shown in the Company's books of accounts under the head of investment in asset side of the balance sheet.**

**2. Loans:**

In respect of provisioning requirement of all restructured, rescheduled, renegotiated loan-whether a system of periodical assessment of realizable value of securities available against all such loans is in place and adequate provision has been created during the year? Deficiencies in this regard, if any, may be suitably commented upon along with financial impact.

**The Company has neither granted any Loans during the year nor does the Company have any such outstanding Loans as on 31-03-2025.**

#### **Annexure - D to the Independent Auditor's Report**

**(Referred to in paragraph 3(f) of the Independent Auditor's Report of even date to the members of IFCI Infrastructure Development Limited on the Standalone Financial Statements for the year ended 31 March 2025)**

#### **Report on the Internal Financial Controls with reference to the Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to the Standalone Financial Statements of IFCI Infrastructure Development Limited ("the Company") as of 31<sup>st</sup> March 2025 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Accounting standards financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES TO STANDALONE FINANCIAL STATEMENTS

### CORPORATE AND GENERAL INFORMATION

IFCI Infrastructure Development Limited ("the Company") is a company registered under the Companies Act, 2013 which was incorporated on October 10, 2007. The Company has been primarily engaged in the activities relating to Real Estate Project Advisory and Execution, promotion, construction and development of Commercial and Residential Complexes and Serviced Apartments of its own as well as under joint participatory agreements with others.

The hospitality project of the company under the brand name 'IIDL Suites', Service Apartments located at Mayur Vihar has commenced its commercial operations from 1st of October, 2011.

### 1. SIGNIFICANT ACCOUNTING POLICIES

#### 1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements for the year ended March 31, 2025 have been prepared by the Company in accordance with Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013 and as notified by the Ministry of Corporate Affairs, Government of India under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) (Amendment) Rules, 2016, as amended from time to time, in this regard.

Further, the financial statements comply in all material aspects with the Indian Accounting Standards (Ind AS) including the rules notified under the relevant provisions of the Companies Act, 2013 (the Act).

The accounting policies set out below have been applied consistently to the periods presented in these financial statements.

#### 1.2 FUNCTIONAL AND PRESENTATION CURRENCY

These financial statements are presented in Indian Rupees (INR), which is the Company's functional and presentation currency. All amounts have been denominated in INR and rounded off to the nearest two decimals, except where otherwise indicated.

#### 1.3 BASIS OF MEASUREMENT

The financial statements have been prepared on accrual basis and under the historical cost convention, except for the following material items:

- Financial assets at FVTOCI that is measured at fair value
- Financial instruments at FVTPL that is measured at fair value
- Net defined benefit (asset) / liability - fair value of plan assets less present value of defined benefit obligation

# IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

## 1.4 USE OF JUDGEMENTS AND ESTIMATES

The preparation of financial statements requires estimates and assumptions that affect the reported amount of assets, liabilities, revenue and expenses during the reporting period. Although, such estimates and assumptions are made on a reasonable and prudent basis taking into account all available information, actual results could differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future years.

## 1.5 PROPERTY, PLANT AND EQUIPMENT, INTANGIBLE ASSETS AND INVESTMENT PROPERTY

### 1.5.1 Recognition and measurement

Property, Plant and Equipment is initially measured at cost of acquisition/construction including any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Property, plant and equipment held for use or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. The cost includes non-refundable taxes, duties, freight and other incidental expenses related to the acquisition and installation of the respective assets.

Property, Plant and Equipment acquired as replacement of the existing assets are capitalized and its corresponding replaced assets removed / retired from active use are derecognized.

If the cost of the replaced part or earlier inspection is not available, the estimated cost of similar new parts / inspection is used as an indication of what the cost of the existing part/ inspection component was when the item was acquired or inspection was carried out.

After initial recognition, Property, Plant and Equipment is carried at cost less accumulated depreciation / amortisation and accumulated impairment losses, if any.

In the case of commissioned assets, deposit works / cost – plus contracts where final settlement of bills with contractors is yet to be affected, capitalization is done on provisional basis subject to necessary adjustments in the year of final settlement.

Spare parts, standby equipment and servicing equipment which meets the recognition criteria of Property, Plant and Equipment are capitalized.

Investment properties include those portions of land and buildings that are held for long-term rental yields and/or for capital appreciation or for a currently indeterminate use. Investment properties include properties that are being constructed or developed for future use as investment properties.

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

Investment properties are stated at cost of acquisition / construction less accumulated depreciation. On disposal of an investment property, the difference between the disposal proceeds and the carrying amount is recognised in profit or loss.

Method of Depreciation used is Straight Line Method and the useful life of the asset taken is 60 years.

On the date of transition to Ind AS, the Company has considered the carrying value of Investment Properties (if any) as per previous GAAP to be the deemed cost as per Ind AS 101.

Intangible assets are measured on initial recognition at cost. After initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

Government licenses essential for the company's operations and having a validity of over one year are initially recognised at cost and carried at cost less accumulated amortisation calculated on the basis of remaining validity period.

An item of Intangible asset is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

### 1.5.2 Depreciation / Amortization

Depreciation is provided using the Straight-Line Method over their estimated useful life as prescribed under Schedule II to the Companies Act, 2013 or based on Management assessment of useful life, if lower than what is prescribed under the schedule. Depreciation is calculated on pro – rata basis, including the month of addition and excluding the month of sale / disposal. Leasehold improvements are amortised over the underlying lease term on a straight-line basis. Residual value in respect of items of Property, Plant & Equipment and Investment Property are considered as 5% of the cost. Property, Plant and Equipment costing less than Rs. 5000/- individually are charged to the statement of Profit & Loss Account in the year of their purchase itself.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Intangible Assets consisting of Computer software with indefinite period utility / user rights and having a useful life lasting with that of the equipment have been capitalized with the cost of computer. Software carrying an identifiable utility of at least five years is amortized on a straight-line basis over a period of five years from the date put into use. Software with limited edition / period utility i.e. requiring annual revision is charged to Statement of Profit and Loss Account in the year of purchase. Government licenses are amortized on a straight-line basis over a period of their validity.

### 1.5.3 De – Recognition

# IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

An item of property, plant and equipment, investment property and intangible assets is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment or investment property is determined as the difference between the net disposal proceeds and the carrying amount of the asset and is recognised in profit or loss.

## 1.5.4 Transition to Ind AS

The Company has elected to continue with the carrying value of all of its Property, Plant and Equipment, Investment Property and Intangible Assets recognised as of the transition date measured as per the previous GAAP and use such carrying value as its deemed cost as of the transition date as per Ind AS 101.

## 1.6 BORROWING COSTS

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in the statement of profit or loss in the period in which they are incurred.

## 1.7 IMPAIRMENT OF NON – FINANCIAL ASSETS

At each reporting date, the Company reviews the carrying amount of its non – financial assets (other than assets held for sale and deferred tax assets) to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that is largely independent of the cash inflows of other assets or CGUs. The 'recoverable amount' of an asset or CGU is the greater of its value in use and its fair value less costs to sell. 'Value in use' is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU.

Impairment losses are recognised in profit and loss. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

## 1.8 ASSETS HELD FOR SALE

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

Assets are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use.

Such assets measured at the lower of their carrying amount and fair value less cost to sell with gains and losses on re-measurement recognised in profit or loss. Once classified as held for sale, assets are no longer amortised, depreciated or impaired.

### 1.9 INVESTMENT IN SUBSIDIARIES, ASSOCIATES AND JOINT VENTURES

Investments in Subsidiaries, Associates and Joint Ventures are carried at cost. The cost comprises price paid to acquire investment and directly attributable cost. On each reporting date, consequent upon existence of any external or internal indication to impairment, the impairment loss shall be recognised as difference between the carrying amount and recoverable amount.

### 1.10 INVENTORIES

Inventories are valued at cost or net realizable value, whichever is lower. The quantity and valuation of inventories at the yearend is taken as physically verified value and certified by the management.

Inventory of real estate business comprise of –

i. Building / Residential Complex, Built-up floor space acquired / purchased for development and / or sale / resale and other removable / disposable assets existing thereon. These are valued at lower of cost or net realizable value wherein costs are determined by adding all considerations / costs which are attributable to purchase / acquisition, and other expenses incurred specifically thereto.

ii. Land Bank – It consists of asset purchased by the Company that it intends to develop later on into residential / commercial project but on which no construction has commenced. Land is initially recognized at fair value which is generally the cost or net realizable value whichever is less. However, it is discounted to present value when payment terms are deferred for a period of more than one year.

iii. Work in Progress – Work-in-Progress includes construction work in progress and unsold portion of completed Real Estate Projects. Increase / decrease in Work-in-Progress is accounted for as Income or Expenditure for the year, as the case may be. Valuation of Work-in-Progress including unsold portion of realty project is being done on basis of actual cost and overheads incurred which are directly attributable to project, till completion or net realizable value whichever is less.

iv. Direct Materials, Stores and Spare Parts are valued at lower of cost or net realizable value. Cost is determined on Weighted Average Cost Method.

v. Consumables including Catering, Shuttering and Scaffolding, Loose Tools, Laboratory Equipment, empty containers & others are valued on the basis of realizable value, based on the engineering estimate.

Inventory of hospitality business comprises of closing balance of consumables purchased. FIFO method is followed for ascertaining the cost price considered for valuation. Closing inventories are valued at cost or replacement value, whichever is less, after providing for obsolescence and damage.

# IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

## 1.11 CASH AND CASH EQUIVALENTS

Cash and Cash Equivalents comprise Cash in hand, Balances in Bank Account, Remittance in Transit, Cheques in hand and Demand Deposits, together with other short-term, highly liquid investments (original maturity less than 3 months) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

## 1.12 LEASES (IN ACCORDANCE WITH IND AS 116)

The company identifies lease as a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration. The company checks for conditions needed to be fulfilled if the contract is to be classified as lease as under:

- i. Identified assets.
- ii. Lessee obtains substantially all of the economic benefits
- iii. Lessee directs the use

### 1.12.1 The Company as a Lessee

- i. The company recognizes assets and liabilities for all leases for a term of more than 12 months, unless the underlying asset is of low value.
- ii. It then recognizes a right of use asset representing its right to use the underlying leased asset and a lease liability representing its obligations to make lease payments.
- iii. The company measures right-of-use assets similarly to other non-financial assets (such as property, plant and equipment) and lease liabilities similarly to other financial liabilities.
- iv. The company recognizes depreciation of the right-of-use asset and interest on the lease liability.
- v.  $\text{Lease liability} = \text{Present value of lease rentals} + \text{present value of expected payments at the end of lease}$ . The lease liability will be amortized using the effective interest rate method.
- vi.  $\text{Lease term} = \text{non-cancellable period} + \text{renewable period}$  if lessee reasonably certain to exercise.
- vii.  $\text{Right to use asset} = \text{Lease liability} + \text{lease payments (advance)} - \text{lease incentives to be received}$  if any initial + initial direct costs + cost of dismantling / restoring etc. The asset will be depreciated as per Ind AS 16 Property Plant and equipment.

### 1.12.2 The Company as a Lessor

- i. The company classifies each of its leases as either an operating lease or a finance lease.
- ii. A lease is classified as a finance lease if it transfers substantially all the risks and rewards, incidental to ownership of an underlying asset. For finance leases, the company derecognizes the underlying asset and recognizes a net investment in the lease.
- iii. A lease is classified as an operating lease if it does not transfer substantially all the risks and rewards incidental to ownership of an underlying asset. For operating leases, the company continues to recognize the underlying assets.
- iv. Any selling profit or loss is recognized at lease commencement.

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

### 1.13 PROVISIONS AND CONTINGENCIES RELATED TO CLAIMS, LITIGATION etc.

#### 1.13.1 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are determined based on management estimates required to settle the obligation at the Balance Sheet date. If the effect of the time value of money is material, provisions are discounted. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

#### 1.13.2 Contingencies

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements.

#### 1.13.3 Arbitration Awards

Arbitration / Court's awards along with related interest receivable / payable are, to the extent not taken into accounts at the time of initiation, are recognized after it becomes decree. Permanent Machinery of Arbitration, Government of India, is accounted for on finalization of award by the appellate authority. Interest to / from in these cases are accounted when the payment is probable which the point is when matter is considered settled by management.

#### 1.13.4 Liquidated Damages

Liquidated Damages / Compensation for delay in respect of clients/ contractors, if any, are accounted for when payment is probable which is the point when matter is considered settled by management.

### 1.14 CONTINGENT LIABILITIES AND CONTINGENT ASSETS

#### 1.14.1 Contingent Liabilities

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote.

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd: Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

### 1.14.2 Contingent Assets

Contingent assets are disclosed in the financial statements where an inflow of economic benefits is probable.

### 1.15 SHARE CAPITAL AND OTHER EQUITY

Share capital represents the nominal value of shares that have been issued. Any transaction costs associated with the issuing of shares are deducted from retained earnings, net of any related income tax benefits.

Other components of equity include Other Comprehensive Income (OCI) arising from actuarial gain or loss on re-measurement of defined benefit liability and return on plan assets.

Retained earnings include all current and prior period retained profits. All transactions with owners of the parent are recorded separately within equity. Annual dividend distribution to shareholders is recognised as a liability in the period in which the dividend is approved by the shareholders. Any interim dividend paid is recognised on approval by Board of Directors. Dividend payable and corresponding tax on dividend distribution is recognised directly in equity.

### 1.16 FINANCIAL INSTRUMENTS

#### 1.16.1 Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

#### 1.16.2 Classifications and Subsequent Measurement

##### (i) Financial Assets

On initial recognition, a financial asset is classified as subsequently measured at either amortised cost or fair value through other comprehensive income ('FVTOCI') or FVTPL, depending on the contractual cash flow characteristics of the financial assets and the Company's business model for managing the financial assets.

##### (ii) Business Model Assessment

# IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office - 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi - 110 019 (IN)

The Company makes an objective assessment of the business model in which an asset is held at a portfolio level, because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- The stated policies and objectives for the portfolio and the operation of those policies in practice. In particular, whether management's strategy focuses on earning contractual interest revenue, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of the liabilities that are funding those assets or realising cash flows through the sale of the assets.
- The frequency, volume and timing of sales in prior periods, the reasons for such sales and its expectations about future sales activity. However, information about sales activity is not considered in isolation, but as part of an overall assessment of how the Company's stated objective for managing the financial assets is achieved and how cash flows are realized.
- The risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed.

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

## 1.16.3 Assessment whether contractual cash flows are solely payments of principal and interest

For the purpose of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company applies judgement and considers all the contractual terms of the instrument. This includes assessing whether the financial asset contains any contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making the said assessment, the Company considers prepayment and extension terms, features that modify consideration of the time value of money (e.g. periodical reset of the interest rates).

## 1.16.4 Financial Assets at Amortized Cost

A Financial Asset is measured at amortised cost only if both of the following conditions are met:

- It is held within a business model whose objective is to hold assets in order to collect contractual cash flows.
- The contractual terms of the financial asset represent contractual cash flows that are solely payments of principal and interest.

Subsequently, these are measured at amortised cost using the effective interest rate (EIR) method less any impairment losses.

## 1.16.5 Financial Assets at Fair Value through Other Comprehensive Income ('FVTOCI')

# IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

A Financial Asset is measured at FVTOCI only if both of the following conditions are met:

- It is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- The contractual terms of the financial asset represent contractual cash flows that are solely payments of principal and interest.

Subsequently, these are measured at fair value and changes therein, are recognised in other comprehensive income. Impairment losses on said financial assets are recognised in other comprehensive income and do not reduce the carrying amount of the financial asset in the balance sheet.

## 1.16.6 Financial assets at Fair Value through Profit and Loss (FVTPL)

Any financial instrument, which does not meet the criteria for categorisation as at amortised cost or as FVOCI, is classified as at FVTPL.

Subsequently, these are measured at fair value and changes therein, are recognised in profit and loss account.

## 1.16.7 Investment in equity instruments

All equity investments in scope of Ind AS 109 (i.e. other than equity investments in subsidiaries / associates / joint ventures) are measured at FVTPL.

Subsequently, these are measured at fair value and changes therein, are recognised in profit and loss account. However, on initial recognition of an equity instrument that is not held for trading, the Company may irrevocably elect to present subsequent changes in fair value in OCI. This election is made on an investment-by-investment basis.

## 1.16.8 Financial liabilities and equity instruments

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss or amortised cost, as appropriate and is accordingly accounted for.

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company is recognised at the proceeds received, net of directly attributable transaction costs."

## 1.16.9 Measurement Basis

- (i) Amortised cost

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

Amortised cost is the amount at which the financial asset or financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortisation using the EIR method of discount or premium on acquisition and fees or costs that are an integral part of the EIR and, for financial assets, adjusted for any loss allowance.

### (ii) Fair Valuation

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date. The fair value of a liability reflects its non-performance risk.

When one is available, the Company measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis. If there is no quoted price in an active market, then the Company uses valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction."

### 1.16.10 De-recognition / Modification of Financial Assets and Financial Liabilities

#### (A) De-recognition of Financial Assets and Financial Liabilities

##### (i) Financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily de-recognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. The Company also recognise a liability for the consideration received attributable to the Company's continuing involvement on the asset transferred. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

On de-recognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset de-recognised) and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognised in OCI is recognised in profit or loss.

### (ii) Financial liabilities

The Company de-recognises a financial liability when its contractual obligations are discharged or cancelled or expired.

### (B) Modifications of financial assets and financial liabilities

#### (i) Financial assets

If the terms of a financial asset are modified, the Company evaluates whether the cash flows of the modified asset are substantially different. If the cash flows are substantially different, then the modification results in de-recognition of the original financial asset and new financial asset is recognised at fair value.

If the cash flows of the modified asset are not substantially different, then the modification does not result in de-recognition of the financial asset. In this case, the Company recalculates the gross carrying amount of the financial asset and recognises the amount arising from adjusting the gross carrying amount as a modification gain or loss in profit or loss. Any costs or fees incurred adjust the carrying amount of the modified financial asset and are amortised over the remaining term of the modified financial asset by recomputing the EIR rate on the instrument.

If such a modification is carried out because of financial difficulties of the borrower, then the gain or loss is presented together with impairment losses. In other cases, it is presented as interest income.

#### (ii) Financial liabilities

The Company de-recognizes a financial liability when its terms are modified and the cash flows of the modified liability are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

If the modification is not accounted as derecognition, then the amortised cost of the liability is recalculated by discounting the modified cash flows at the original EIR and the resulting gain or loss is recognised in profit or loss. Any costs or fees incurred adjust the carrying amount of the modified financial liability and are amortised over the remaining term of the modified financial liability by recomputing the EIR rate on the instrument."

### 1.16.11 Offsetting of Financial Instruments

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

Financial Assets and Financial Liabilities are offset and the net amount is reported in the balance sheet when the Company has a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

### 1.16.12 Impairment of Financial Assets

The Company recognises impairment allowances for ECL on all the financial assets that are not measured at FVTPL. No impairment loss is recognised on equity investments.

ECL are probability weighted estimate of credit losses. They are measured as follows:

- Financial Assets that are not credit impaired – as the present value of all cash shortfalls that are possible within 12 months after the reporting date.
- Financial Assets with significant increase in credit risk but not credit impaired – as the present value of all cash shortfalls that result from all possible default events over the expected life of the financial asset.
- Financial Assets that are credit impaired – as the difference between the gross carrying amount and the present value of estimated cash flows
- Undrawn Loan Commitments – as the present value of the difference between the contractual cash flows that are due to the Company if the commitment is drawn down and the cash flows that the Company expects to receive with respect to trade receivables and other financial assets, the Company measures the loss allowance at an amount equal to lifetime expected credit losses.

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets. For financial assets at FVTOCI, the loss allowance is recognised in OCI.

### 1.16.13 Write-off of Financial Assets

Financial assets are written off (either partially or in full) when there is no reasonable expectation of recovering a financial asset in its entirety or a portion thereof. This is generally the case when the company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write – off. This assessment is carried out at the individual asset level.

However, financial assets that are written off could still be subject to enforcement activities under the group's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit or loss.

## 1.17 TRADE RECEIVABLES

**Overview of Trade Receivables** - Trade receivables represent the total amounts that a company has invoiced to customers for goods and services that it has delivered but for which it has not yet received payment. As such, trade receivables are included on the assets side of the balance sheet within current assets.

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

According to Ind-AS 115, at initial recognition, an entity shall measure trade receivables at their transaction price if the trade receivables do not contain a significant financing component in accordance with Ind AS 115.

Ind AS requires that trade receivables be classified as current if they are likely to be realized within the business's operating cycle. For outstanding trade receivables, the aging schedule prescribed in Schedule III of Ind AS must be provided.

**Overview of Expected Credit Loss** - In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets:

Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits and trade receivables.

Financial assets that are debt instruments and are measured as at FVOCI Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of IND AS 115.

The Company follows Simplified approach for recognition of impairment is allowance on trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

At each reporting date, for recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of lifetime ECL which results from default events that are possible within 12 months after the reporting date.

**Measurement of expected credit losses** - Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

Presentation of allowance for expected credit losses in Profit & Loss and balance sheet

ECL impairment loss (or reversal) during the year is recognized as income/ expense in profit or loss. The balance sheet presentation for various financial instruments is described below:

- a) Financial assets measured at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The Company does not reduce impairment allowance from the gross carrying amount.
- b) Debt instruments measured at FVOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

**Write-off** - The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

**Conclusion** - The total expected credit loss is significantly calculated applying above mentioned ECL framework using 'simplified approach' as mentioned in IND AS 109 and ultimate ECL amount is dependent on the ageing profile of the trade receivables at the calculation date and not merely the average of the total bad debts written off in the past.

### 1.18 FOREIGN CURRENCY TRANSACTIONS

The expenses and income in foreign exchange transactions are accounted for at the rates prevailing on the date of transactions / at the forward rate, if booked, for such transaction. Assets and liabilities held in foreign currencies and accrued income and expenditure in foreign currencies are translated into Indian Rupees at the rates advised by Foreign Exchange Dealers Association of India (FEDAI) prevailing towards the close of the accounting period. Gains / losses, if any, on valuation of various assets and liabilities are taken to Statement of Profit & Loss.

### 1.19 REVENUE RECOGNITION

- i. Rental income from Investment Property / Flats held as Inventories is recognized on a straight – line basis over the period of lease terms.
- ii. Interest income is reported on an accrual basis using the Effective Interest Rate method.

**IFCI INFRASTRUCTURE DEVELOPMENT LIMITED**

**CIN: U45400DL2007GOI169232**

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

- iii. Interest Income from Bank Deposits is recognized on accrual basis on a time proportion basis.
- iv. Income by way of Fees for Project Advisory and Execution services is recorded on accrual basis as per services rendered pursuant to the specific service agreements.
- v. Revenue from the external project services is recognized based on the Cost-plus method. A fixed mark-up percentage is added to the cost incurred towards construction and the total is recognized as revenue. The stage of completion is determined on the basis of work completion certificate obtained from the engineer/ architect.
- vi. Revenue from real estate development of constructed properties is recognized based on the "percentage of completion method". Sale consideration as per the legally enforceable Agreements to Sell entered into is recognized as revenue based on the percentage of actual project costs incurred to total estimated project cost, subject to following:
  - a. Actual cost incurred is not less than 25 percent of the total estimated project cost.
  - b. No significant uncertainty exists regarding receipt of consideration from the customers.
  - c. In case of overdue, on actual realization basis.
  - d. All significant risks and rewards are transferred to the customer.

Project cost includes cost of land, estimated cost of construction and development of such properties. The estimates of the saleable area and costs are reviewed periodically and effect of any changes in such estimates recognized in the period such changes are determined.

- vii. Revenue from hospitality services is recognized on accrual basis.
  - a. Selling price is determined on the basis of published rack rate less discount offered to customers.
  - b. Income in foreign exchange: The bills for services rendered are raised in Indian Rupees. The payment received in foreign currency against these bills, is credited and accounted for at the rate / rates prevalent on the date of receipt of payment. The gains/ losses arising out of the fluctuation in the exchange rates are accounted for on realization.
- viii. Dividend income is recognized at the time the right to receipt is established.
- ix. Other items of income are recognized in the statement of profit and loss when control of respective goods or service has been transferred to customer.
- x. The company shall recognize revenue in accordance with Ind AS 115 – "Revenue from Contracts with Customers" as and when any such revenue instance occurs.

# IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

## 1.20 DIVIDENDS

Dividends and Dividend Distribution Tax thereon are recognised if and only when the same are approved by the shareholders in the general meeting and consequently paid to the shareholders.

## 1.21 EMPLOYEE BENEFITS

Employee benefits are all forms of consideration given by the company in exchange for service rendered by employees. Employee benefits include: short – term employee benefits, post – employment benefits and other long – term employee benefits.

### Short Term Employee Benefits

When an employee has rendered service to the company during an accounting period, the company recognises the undiscounted amount of short-term employee benefits expected to be paid in exchange for that service as a liability (accrued expense), after deducting any amount already paid and as an expense. Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

### Defined Benefit Plans – Gratuity & Leave Encashment

Defined benefit plans are those plans that provide guaranteed benefits to certain categories of employees, either by way of contractual obligations or through a collective agreement. The company operates unfunded defined benefit plan. The cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each fiscal year end. The obligation recognized in the consolidated statements of financial position represents the present value of the defined benefit obligation.

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current costs and the fair value of any plan assets, if any is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Accrued Benefit Method (same as Projected Unit Credit Method), which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government securities as at the balance sheet date. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

economic benefits available in the form of any future refunds from the plan or reductions in future contribution to the plan.

The change in defined benefit plan liability is split into changes arising out of service, interest cost and re-measurements and the change in defined benefit plan asset is split between interest income and re-measurements. Changes due to service cost (which is the increase of the present value of the defined benefit obligation resulting from the employee service in the current period) and net interest cost / income (which is the change during the period in the defined benefit liability that arises from the passage of time) is recognized in the statement of profit and loss. Re-measurements of net defined benefit liability / (asset) which comprise of the below are recognized in other comprehensive income:

- Actuarial gains and losses;
- The return on plan assets, excluding amounts included in net interest on the net defined benefit liability (asset)

### 1.22 INCOME TAX EXPENSE

Income Tax expense comprises of current tax (i.e. amount of tax for the period determined in accordance with the Income Tax Act, 1961) and deferred tax charge or credit (reflecting the tax effects of temporary differences between tax base and book base). It is recognised in profit or loss except to the extent that it relates to a business combination, or items recognised directly in equity or in OCI.

#### 1.22.1 Current Tax

Current tax is measured at the amount expected to be paid in respect of taxable income for the year in accordance with the Income Tax Act, 1961. Current tax comprises the tax payable on the taxable income or loss for the year and any adjustment to the tax payable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Minimum Alternative Tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as current tax in the statement of profit and loss. Current tax assets and liabilities are offset only if, the company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

#### 1.22.2 Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax assets are reviewed at each reporting date and based on management's judgement, are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves.

Unrecognized deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used. Deferred tax is measured at the tax rates that are expected to be applied to temporary

# IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if the Company:

- a) has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

## 1.22.3 Current and Deferred Tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

## 1.22.4 Minimum Alternate Tax (MAT)

The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal Income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

## 1.23 PRIOR PERIOD ITEMS

Material prior period errors are corrected retrospectively by restating the comparative amounts for prior period presented in which the error occurred or if the error occurred before the earliest period presented, by restating the opening statement of financial position.

## 1.24 EARNINGS PER SHARE

Basic earnings per share is computed using the net profit for the year attributable to the shareholders and weighted average number of shares outstanding during the year.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholders and weighted average number of equity and potential equity shares outstanding during the year, except where the result would be anti-dilutive.

## 1.25 SEGMENT REPORTING

The Company operates in two reportable business segments namely – 'Real Estate Activities' comprising of Advisory and Execution Services, Purchase and Sale of Properties and Construction and Development of Real Estate Projects and in 'Hospitality' provided through Serviced Apartments under the brand name 'IIDL Suites'.

Note No. 19 (ii)

Terms / Rights attached to shares

The company has only one class of Equity Shares having a par value of Rs. 10 per share. Each holder of Equity Share is entitled to 1 vote per share. The dividend proposed by Board of Directors is subject to approval of shareholders in the ensuing Annual General Meeting. In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

## NOTES FORMING PART OF BALANCE SHEET as at 31 March 2025

### Note No. 47 (iv)

The Company is contesting several matters pertaining to its project 21st Milestone Residency at Ghaziabad before Real Estate Regulatory Authority/Real Estate Appellate Tribunal/ Delhi State Consumer Disputes Redressal Commission/National Consumer Disputes Redressal Commission. In the matter of Sumit Gupta, recovery certificate issued by the RERA authority against which the company has filed an appeal before REAT. Wherein as per the direction of the tribunal, the company has deposited an amount of Rs. 2,02,293/-. In the matter of Sanjay Kumar Gupta, recovery certificate of Rs. 12,91,286/- has been issued by RERA, the company has filed an appeal before REAT and the matter is subjudice. The other matters are sub judice before the concerned authority/court.

### Note No. 47 (v)

The Company is contesting several matters pertaining to its IIDL Aerie Project at Panampilly Nagar, Kochi, Kerala. before Kerala Real Estate Regulatory Authority/ Kerala State Consumer Disputes Redressal Commission/ Supreme Court of India. The matters are sub judice before the concerned authority/court.

### Note No. 47 (vi)

The Arbitrator passed an award on 21.02.2022 observing that the Claimant has been found entitled to a total sum of Rs. 4,42,47,534/- as against sum of Rs. 2,00,60,587/- held recoverable by IIDL from SBTL under its Counter Claim with respect to amount to be recovered from M/s. SBTL from its retention money for work done by IIDL and Rs. 1,00,00,000/- towards liquidated damages recoverable under the Counter Claim of IIDL. Setting off the said amount against the amount found payable to SBTL, SBTL shall be entitled to a sum of Rs. 1,41,86,947/- only.

Accordingly, an award of Rs. 1,41,86,947/- in favour of SBTL in full and final settlement of all the disputes and the claims and the counter claims arising from the disputes along with interest on the amount awarded in the favor of SBTL @ 9%p.a from 5.08.2019 till the date the awarded amount is paid, passed by the Arbitrator. Further, SBTL shall also be entitled to proportionate costs of arbitration proceedings @ Rs. 15,00,000/-. The same paid to SBTL on 26-07-2022. The matter is Subjudice before DHC.

### Note No. 47 (A)

In 2011, the Management Development Institute (MDI) Murshidabad entered into a Memorandum of Understanding (MoU) with IIDL for the development and construction of its campus in Murshidabad, West Bengal. As per the MoU, MDI agreed to reimburse IIDL for any claims upheld by an arbitrator or court of law related to the project.

During the campus construction, a dispute arose between IIDL and one of its contractors, M/s. Subir Engineering Works Private Limited (SEWPL). On January 25, 2018, the Hon'ble Arbitral Tribunal awarded SEWPL ₹7.68 crore, along with 6% annual interest from October 27, 2016, until full payment. IIDL challenged the arbitral award through petitions under Sections 34 and 37 of the Arbitration & Conciliation Act, 1996, before the Hon'ble High Court of Delhi, and later via a Special Leave Petition (Civil) before the Hon'ble Supreme Court of India. All appeals were dismissed, with the final dismissal by the Supreme Court on February 3, 2025. IIDL subsequently settled the full award amount, including interest, totalling ₹10.03 (6.03 + 4) crore, by February 13, 2025.

In accordance with the recovery clause in the MoU, IIDL issued a demand letter to MDI on March 26, 2025, for reimbursement being the balance amount of ₹7.52 crore (7.17 + 0.35) comprising ₹3.09 crore towards VAT claims and ₹2.35 towards interest along with legal expenses and retention money. A receivable for this amount has been recorded in IIDL's books of accounts. However, as no confirmation has been received from MDI as of the reporting date, a provision has been made for the entire receivable amount to account for potential non-recovery.

### Note No. 48 - Disclosure as per IndAS - 11 Construction Contracts

(i) IIDL has constructed a campus for MDI Gurgaon at Jangipur, District - Murshidabad, West Bengal. The financials relating to the contract are as under:

Note No. 50 (ii) - The principal assumptions used for the purposes of the actuarial valuations were as follows -  
Assumptions as at March 31, 2024

S. No.	Particulars	March 31, 2025	March 31, 2024
	IIDL - Corporate office		
	Gratuity		
1.	Discount rate		
2.	Expected return on plan assets	7.04%	7.10%
3.	Annual increase in costs	NA	NA
4.	Annual increase in salary	NA	NA
	Leave Encashment	10.00%	10.00%
5.	Discount rate		
6.	Expected return on plan assets	7.04%	7.10%
7.	Annual increase in costs	NA	NA
8.	Annual increase in salary	NA	NA
		10.00%	10.00%
	IIDL Suites - A unit of IIDL		
	Gratuity		
1.	Discount rate		
2.	Expected return on plan assets	6.72%	7.23%
3.	Annual increase in costs	NA	NA
4.	Annual increase in salary	NA	NA
	Leave Encashment	8.00%	8.00%
5.	Discount rate		
6.	Expected return on plan assets	6.72%	7.23%
7.	Annual increase in costs	NA	NA
8.	Annual increase in salary	NA	NA
		8.00%	8.00%

Note No. 50 (iii) - The discount rate is based upon the market yield available on Government bonds at the Accounting date with a term that matches. The salary growth takes account inflation, seniority, promotion and other relevant factor on long term basis. Expected rate of return on plan assets is based on market expectation, at the beginning of the year, for return over the entire life of the related obligation.

## **INDEPENDENT AUDITOR'S REPORT**

**To the Members of IFCI Infrastructure Development Limited**

**Report on the audit of the Consolidated Financial Statements**

### **Opinion**

We have audited the Consolidated Financial Statements of IFCI Infrastructure Development Limited ("the Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred as "the Group"), which comprise the Consolidated Balance sheet as at 31 March 2025, the Consolidated Statement of profit and loss (including other comprehensive income), Consolidated Statement of changes in equity and Consolidated Statement of cash flows for the year then ended and notes to the Consolidated Financial Statements, including material accounting policies and other explanatory information ("the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, and its Consolidated profit and other comprehensive income, Consolidated changes in equity and its Consolidated cash flows for the year then ended.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

### **Other Information**

The Holding Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual report, but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## **Responsibilities of the Management's and Those Charges with Governance' for the Consolidated Financial Statements**

The Holding Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the Companies included in the group are responsible for assessing each Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective management Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors is also responsible for overseeing the Group's financial reporting process of each Company.

## **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the Consolidated Financial Statements made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient and appropriate audit evidence regarding the financial information of entities within the group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financials information of such entities included in consolidated financial statements. We remain solely responsible for our opinion.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding company and such other entities included in the consolidated financial statements of which we are independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Other Matter**

We did not audit the Financial Statements of Subsidiary namely M/s. IIDL Realtors Private Limited, whose Financial Statements as per Accounting standards reflect total assets of Rs. 20,67,21,144/- as at 31 March 2025 and the total revenue of Rs. 3,10,67,267/- net Cash Flows amounting to Rs. 50,45,507/- for the year ended on that date, as considered in the Consolidated Financial Statements. These Financial Statements have been audited by the other auditor whose reports have been furnished to us by the Management and our opinion in so far as it relates to the amounts and disclosures included in respect of Subsidiary, and our report in terms of sub-section (3) and (11) of section 143 of the Act, in so far as it relates to the aforesaid Subsidiary is based solely on the report of other auditor.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required under Section 143(5) of the Companies Act'2013, we enclose herewith, as per "Annexure-B" and "Annexure-C" our report for the company on the Directions and Sub-directions respectively, issued by the Comptroller & Auditor General of India.
3. (A) As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books.
  - c) The Consolidated Balance sheet, the Consolidated Statement of profit and loss (including other comprehensive income), the Consolidated Statement of changes in equity and the Consolidated Statement of cash flows dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
  - d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting standards specified under section 133 of the Act.
  - e) The provision of Section 164(2) of the Companies Act, 2013 in respect of disqualifications of directors are not applicable to the Company being Government Company in terms of notification no. G.S.R. 463 (E) dated 5 June 2015 issued by the Ministry of Corporate affairs.
  - f) With respect to the adequacy of the internal financial controls with reference to the Consolidated Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure D".
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Consolidated financial statements disclose the impact of pending litigations as at 31 March 2025 on its financial positions in its consolidated financial statement – refer Note 47 to the financial statements.
  - ii. The Group was not required to recognise a provision as at 31 March 2025 under the applicable law or accounting standards, as it does not have any material foreseeable losses on long-term contracts. The Group did not have any long-term derivative contracts as at 31 March 2025.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding company and its subsidiaries during the year.

- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or its Subsidiary Companies incorporated in India to or in any other person(s) or entity(ies), including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or its Subsidiary Companies incorporated in India ("Ultimate Beneficiaries") or
  - provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The management has represented that to the best of its knowledge and belief, no funds have been received by the Holding Company or its Subsidiary Companies incorporated in India from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or its Subsidiary Companies incorporated in India shall:
- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or
  - provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv.) (a) and (iv.) (b) above, contain any material misstatement.
- v. The dividend declared and paid during the year by the Company is in compliance with Section 123 of the Act.
- vi. Based on our examination which included test checks including in reliance with the audit report of the subsidiary, the Group has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except in case of subsidiary wherein the respective auditor has commented that In the absence of report/certificate we are unable to comment on whether audit trail feature of the said software was enabled and operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.
- (C) The provision of Section 197 read with Schedule V to the Act with respect to managerial remuneration is not applicable on a government company. Therefore, we are not required to comment thereon.

**Annexure - B to the Independent Auditor's Report**

**Report in terms of Directions issued by the Comptroller & Auditor General of India under section 143(5) of the Companies Act'2013 for the financial year 2024-25**

1. Whether the company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.

According to the information and explanations given to us and based on our audit, all the accounting transactions are routed through IT system (i.e. Tally software in Head Office and SAGE 300 ERP/HIS/IDS software in IIDL Suites) except the demand letters issued to buyers and rental invoices issued to tenants. Demand letters issued to buyers and rental invoices issued to tenants are usually sent through MS-Office.

We have neither been informed nor we have come across during the course of audit any accounting transactions having impact on the integrity of the accounts along with the financial implications which have been processed outside the IT system.

2. Whether there is any restructuring of an existing loan or cases of waiver/write off of debts/loans/interest etc. made by a lender to the company due to the company's inability to repay the loan? If yes, the financial impact may be stated. Whether such cases are properly accounted for? (In case, lender is a government company, then this direction is also applicable for statutory auditor of Lender Company).

During the year, there is no instance of any restructuring of any existing loan or cases of waiver/write-off of debts/loans/interest etc. made by a lender to the Company.

3. Whether funds (grants/subsidy etc.) received/receivable for specific schemes from Central /State Government or its agencies were properly accounted for/utilized as per its term and conditions? List the cases of deviation.

We have been informed that the Company has neither received nor any such funds are receivable by the Company for specific schemes from Central/State Government or its agencies for the financial year 2024-25

**Report in terms of Sub-directions issued by the Comptroller & Auditor General of India under section 143(5) of the Companies Act'2013 for the financial year 2024-25**

**1. Investments:**

Whether the titles of ownership in respect of CGS/ SGS/ Bonds/ Debentures etc. are available in physical/demat form and these, in aggregate, agree with the respective amounts shown in the Company's books of accounts? If not, details may be stated.

**The company had invested Rs. 75 Crores in Bonds issued by IFCI Limited. The possession of these bonds are in demat form and the same has been shown in the Company's books of accounts under the head of investment in asset side of the balance sheet.**

**2. Loans:**

In respect of provisioning requirement of all restructured, rescheduled, renegotiated loan-whether a system of periodical assessment of realizable value of securities available against all such loans is in place and adequate provision has been created during the year? Deficiencies in this regard, if any, may be suitably commented upon along with financial impact.

**The Company has neither granted any Loans during the year nor does the Company have any such outstanding Loans as on 31-03-2025.**

#### **Annexure - D to the Independent Auditor's Report**

**(Referred to in paragraph 3(f) of the Independent Auditor's Report of even date to the members of IFCI Infrastructure Development Limited on the Consolidated Financial Statements for the year ended 31 March 2025)**

#### **Report on the Internal Financial Controls with reference to the Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

##### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

##### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Accounting standards financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

##### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external

purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

#### GROUP INFORMATION

IFCI Infrastructure Development Limited ("the Company") is a company registered under the Companies Act, 2013 which was incorporated on October 10, 2007. The Company has been primarily engaged in the activities relating to Real Estate Project Advisory and Execution, promotion, construction and development of Commercial and Residential Complexes and Serviced Apartments of its own as well as under joint participatory agreements with others. The hospitality project of the company under the brand name 'IIDL Suites', Service Apartments located at Mayur Vihar has commenced its commercial operations from 1st of October, 2011.

#### 1. SIGNIFICANT ACCOUNTING POLICIES

##### 1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The consolidated financial statements for the year ended March 31, 2025 have been prepared by the Company in accordance with Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013 and as notified by the Ministry of Corporate Affairs, Government of India under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) (Amendment) Rules, 2016, as amended from time to time, in this regard.

Further, the consolidated financial statements comply in all material aspects with the Indian Accounting Standards (Ind AS) including the rules notified under the relevant provisions of the Companies Act, 2013 (the Act).

The accounting policies set out below have been applied consistently to the periods presented in these financial statements.

##### 1.1.1 PRINCIPLES OF CONSOLIDATION AND EQUITY ACCOUNTING

- a. The financial statements of the company and its subsidiaries have been consolidated, in terms of Indian Accounting Standard (Ind AS – 110) – 'Consolidated Financial Statements'.
- b. The financial statements of the subsidiaries used in the consolidation are drawn upto the same reporting date as that of the parent company – IFCI Infrastructure Development Ltd. i.e. year ended March 31, 2025.
- c. Subsidiaries are all entities over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61, Nehru Place, New Delhi – 110 019 (IN)

The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

- d. **Associates** are all entities over which the group has significant influence but not control or joint control. This is generally the case where the group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting after initially being recognised at cost.
- e. **Interests in Joint Ventures** are accounted for using the equity method (see (f) below), after initially being recognised at cost in the consolidated balance sheet.
- f. **Equity Method**  
Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the group's share of the post-acquisition profits or losses of the investee in profit and loss, and the group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.
- g. The subsidiary company considered in the financial statements is IIDL Realtors Private Limited which was incorporated in India and became a subsidiary with effect from 28<sup>th</sup> December, 2010. The company holds 100% ownership & interest in the subsidiary as on 31<sup>st</sup> March, 2025.

### 1.2 FUNCTIONAL AND PRESENTATION CURRENCY

These consolidated financial statements are presented in Indian Rupees (INR), which is the Company's functional and presentation currency. All amounts have been denominated in Lakhs of Rupees and rounded off to the nearest two decimals, except where otherwise indicated.

### 1.3 BASIS OF MEASUREMENT

The financial statements have been prepared on accrual basis and under the historical cost convention, except for the following material items:

- Financial assets at FVTOCI that is measured at fair value
- Financial instruments at FVTPL that is measured at fair value
- Net defined benefit (asset) / liability - fair value of plan assets less present value of defined benefit obligation

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 51 Nehru Place, New Delhi – 110 019 (IN)

### 1.4 USE OF JUDGEMENTS AND ESTIMATES

The preparation of financial statements requires estimates and assumptions that affect the reported amount of assets, liabilities, revenue and expenses during the reporting period. Although, such estimates and assumptions are made on a reasonable and prudent basis taking into account all available information, actual results could differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years.

### 1.5 PROPERTY, PLANT AND EQUIPMENT, INTANGIBLE ASSETS AND INVESTMENT PROPERTY

#### 1.5.1 Recognition and measurement

Property, Plant and Equipment is initially measured at cost of acquisition/construction including any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Property, plant and equipment held for use or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. The cost includes non-refundable taxes, duties, freight and other incidental expenses related to the acquisition and installation of the respective assets.

Property, Plant and Equipment acquired as replacement of the existing assets are capitalized and its corresponding replaced assets removed / retired from active use are derecognized.

If the cost of the replaced part or earlier inspection is not available, the estimated cost of similar new parts / inspection is used as an indication of what the cost of the existing part/ inspection component was when the item was acquired or inspection was carried out.

After initial recognition, Property, Plant and Equipment is carried at cost less accumulated depreciation / amortisation and accumulated impairment losses, if any.

In the case of commissioned assets, deposit works / cost – plus contracts where final settlement of bills with contractors is yet to be affected, capitalization is done on provisional basis subject to necessary adjustments in the year of final settlement.

Spares parts, standby equipment and servicing equipment which meets the recognition criteria of Property, Plant and Equipment are capitalized.

Investment properties include those portions of land and buildings that are held for long-term rental yields and/or for capital appreciation or for a currently indeterminate use. Investment properties include properties that are being constructed or developed for future use as investment properties.

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

Investment properties are stated at cost of acquisition / construction less accumulated depreciation. On disposal of an investment property, the difference between the disposal proceeds and the carrying amount is recognised in profit or loss.

Method of Depreciation used is Straight Line Method and the useful life of the asset taken is 60 years.

On the date of transition to Ind AS, the Company has considered the carrying value of Investment Properties (if any) as per previous GAAP to be the deemed cost as per Ind AS 101.

Intangible assets are measured on initial recognition at cost. After initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

Government licenses essential for the company's operations and having a validity of over one year are initially recognised at cost and carried at cost less accumulated amortisation calculated on the basis of remaining validity period.

An item of Intangible asset is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

### 1.5.2 Depreciation / Amortization

Depreciation is provided using the Straight Line Method over their estimated useful life as prescribed under Schedule II to the Companies Act, 2013 or based on Management assessment of useful life, if lower than what is prescribed under the schedule. Depreciation is calculated on pro – rata basis. Improvements are amortised over the underlying lease term on a straight line basis. Residual value in respect of items of Property, Plant & Equipment and Investment Property are considered as 5% of the cost. Property, Plant and Equipment costing less than Rs. 5000/- individually are charged to the statement of Profit & Loss Account in the year of their purchase itself.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Intangible Assets consisting of Computer software with indefinite period utility / user rights and having a useful life lasting with that of the equipment have been capitalized with the cost of computer. Software carrying an identifiable utility of at least five years is amortized on a straight line basis over a period of five years from the date put into use. Software with limited edition / period utility i.e. requiring annual revision is charged to Statement of Profit and Loss Account in the year of purchase. Government licenses are amortized on a straight line basis over a period of their validity.

### 1.5.3 De – Recognition

An item of property, plant and equipment, investment property and intangible assets is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment or investment property is determined as the difference between the net disposal proceeds and the carrying amount of the asset and is recognised in profit or loss.

### 1.5.4 Transition to Ind AS

The Company has elected to continue with the carrying value of all of its Property, Plant and Equipment, Investment Property and Intangible Assets recognised as of the transition date measured as per the previous GAAP and use such carrying value as its deemed cost as of the transition date as per Ind AS 101.

### 1.6 BORROWING COSTS

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in the statement of profit or loss in the period in which they are incurred.

### 1.7 IMPAIRMENT OF NON – FINANCIAL ASSETS

At each reporting date, the Company reviews the carrying amount of its non – financial assets (other than assets held for sale and deferred tax assets) to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that is largely independent of the cash inflows of other assets or CGUs. The 'recoverable amount' of an asset or CGU is the greater of its value in use and its fair value less costs to sell. 'Value in use' is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU.

Impairment losses are recognised in profit and loss. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

### 1.8 ASSETS HELD FOR SALE

Assets are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use.

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

Such assets measured at the lower of their carrying amount and fair value less cost to sell with gains and losses on re-measurement recognised in profit or loss. Once classified as held for sale, assets are no longer amortised, depreciated or impaired.

### 1.9 INVESTMENT IN SUBSIDIARIES, ASSOCIATES AND JOINT VENTURES

Investments in Subsidiaries, Associates and Joint Ventures are carried at cost. The cost comprises price paid to acquire investment and directly attributable cost. On each reporting date, consequent upon existence of any external or internal indication to impairment, the impairment loss shall be recognised as difference between the carrying amount and recoverable amount.

### 1.10 INVENTORIES

Inventories are valued at cost or net realizable value, whichever is lower. The quantity and valuation of inventories at the yearend is taken as certified by the management.

Inventory of real estate business comprise of –

i. Building / Residential Complex. Built-up floor space acquired / purchased for development and / or sale / resale and other removable / disposable assets existing thereon. These are valued at lower of cost or net realizable value wherein costs are determined by adding all considerations / costs which are attributable to purchase / acquisition, and other expenses incurred specifically thereto.

ii. Land Bank – It consists of asset purchased by the Company that it intends to develop later on into residential / commercial project but on which no construction has commenced. Land is initially recognized at fair value which is generally the cost or net realizable value whichever is less. However, it is discounted to present value when payment terms are deferred for a period of more than one year.

iii. Work in Progress – Work-in-Progress includes construction work in progress and unsold portion of Real Estate Projects. Increase / decrease in Work-in-Progress is accounted for as Income or Expenditure for the year, as the case may be. Valuation of Work-in-Progress including unsold portion of realty project is being done on basis of actual cost and overheads incurred which are directly attributable to project, till completion or net realizable value whichever is less.

iv. Direct Materials, Stores and Spare Parts are valued at lower of cost or net realizable value. Cost is determined on Weighted Average Cost Method.

v. Consumables including Catering, Shuttering and Scaffolding, Loose Tools, Laboratory Equipment, empty containers & others are valued on the basis of realizable value, based on the engineering estimate.

Inventory of hospitality business comprises of closing balance of consumables purchased. FIFO method is followed for ascertaining the cost price considered for valuation. Closing inventories are valued at cost or replacement value, whichever is less, after providing for obsolescence and damage.

### 1.11 CASH AND CASH EQUIVALENTS

Cash and Cash Equivalents comprise Cash in hand, Balances in Bank Account, Remittance in Transit, Cheques in hand and Demand Deposits, together with other short-term, highly liquid investments

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

(original maturity less than 3 months) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

### 1.12 LEASES (IN ACCORDANCE WITH IND AS 116)

The company identifies lease as a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration. The company checks for conditions needed to be fulfilled if the contract is to be classified as lease as under:

- i. Identified asset.
- ii. Lessee obtains substantially all of the economic benefits
- iii. Lessee directs the use

#### 1.12.1 The Company as a Lessee

- i. The company recognizes assets and liabilities for all leases for a term of more than 12 months, unless the underlying asset is of low value.
- ii. It then recognizes a right of use asset representing its right to use the underlying leased asset and a lease liability representing its obligations to make lease payments.
- iii. The company measures right-of-use assets similarly to other non-financial assets (such as property, plant and equipment) and lease liabilities similarly to other financial liabilities.
- iv. The company recognizes depreciation of the right-of-use asset and interest on the lease liability.
- v.  $\text{Lease liability} = \text{Present value of lease rentals} + \text{present value of expected payments at the end of lease}$ . The lease liability will be amortized using the effective interest rate method.
- vi.  $\text{Lease term} = \text{non-cancellable period} + \text{renewable period}$  if lessee reasonably certain to exercise.
- vii.  $\text{Right to use asset} = \text{Lease liability} + \text{lease payments (advance)} - \text{lease incentives to be received}$  if any initial + initial direct costs + cost of dismantling / restoring etc. The asset will be depreciated as per Ind AS 16 Property Plant and equipment.

#### 1.12.2 The Company as a Lessor

- i. The company classifies each of its leases as either an operating lease or a finance lease.
- ii. A lease is classified as a finance lease if it transfers substantially all the risks and rewards, incidental to ownership of an underlying asset. For finance leases, the company derecognizes the underlying asset and recognizes a net investment in the lease.
- iii. A lease is classified as an operating lease if it does not transfer substantially all the risks and rewards incidental to ownership of an underlying asset. For operating leases, the company continues to recognize the underlying asset.
- iv. Any selling profit or loss is recognized at lease commencement.

### 1.13 PROVISIONS AND CONTINGENCIES RELATED TO CLAIMS, LITIGATION etc.

#### 1.13.1 Provisions

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are determined based on management estimates required to settle the obligation at the Balance Sheet date. If the effect of the time value of money is material, provisions are discounted. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

### 1.13.2 Contingencies

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements.

### 1.13.3 Arbitration Awards

Arbitration / Court's awards along with related interest receivable / payable are, to the extent not taken into accounts at the time of initiation, are recognized after it becomes decree. Permanent Machinery of Arbitration, Government of India, is accounted for on finalization of award by the appellate authority. Interest to / from in these cases are accounted when the payment is probable which the point is when matter is considered settled by management.

### 1.13.4 Liquidated Damages

Liquidated Damages / Compensation for delay in respect of clients/ contractors, if any, are accounted for when payment is probable which is the point when matter is considered settled by management.

## 1.14 CONTINGENT LIABILITIES AND CONTINGENT ASSETS

### 1.14.1 Contingent Liabilities

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote.

### 1.14.2 Contingent Assets

Contingent assets are disclosed in the financial statements where an inflow of economic benefits is probable.

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

### 1.15 SHARE CAPITAL AND OTHER EQUITY

Share capital represents the nominal value of shares that have been issued. Any transaction costs associated with the issuing of shares are deducted from retained earnings, net of any related income tax benefits.

Other components of equity include Other Comprehensive Income (OCI) arising from actuarial gain or loss on re-measurement of defined benefit liability and return on plan assets.

Retained earnings include all current and prior period retained profits. All transactions with owners of the parent are recorded separately within equity. Annual dividend distribution to shareholders is recognised as a liability in the period in which the dividend is approved by the shareholders. Any interim dividend paid is recognised on approval by Board of Directors. Dividend payable and corresponding tax on dividend distribution is recognised directly in equity.

### 1.16 FINANCIAL INSTRUMENTS

#### 1.16.1 Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

#### 1.16.2 Classifications and Subsequent Measurement

##### (i) Financial Assets

On initial recognition, a financial asset is classified as subsequently measured at either amortised cost or fair value through other comprehensive income ('FVTOCI') or FVTPL, depending on the contractual cash flow characteristics of the financial assets and the Company's business model for managing the financial assets.

##### (ii) Business Model Assessment

The Company makes an objective assessment of the business model in which an asset is held at a portfolio level, because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- The stated policies and objectives for the portfolio and the operation of those policies in practice. In particular, whether management's strategy focuses on earning contractual interest revenue, maintaining a particular interest rate profile, matching the duration of the financial assets to the

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

duration of the liabilities that are funding those assets or realising cash flows through the sale of the assets;

- The frequency, volume and timing of sales in prior periods, the reasons for such sales and its expectations about future sales activity. However, information about sales activity is not considered in isolation, but as part of an overall assessment of how the Company's stated objective for managing the financial assets is achieved and how cash flows are realized;
- The risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed.

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

### 1.16.3 Assessment whether contractual cash flows are solely payments of principal and interest

For the purpose of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company applies judgement and considers all the contractual terms of the instrument. This includes assessing whether the financial asset contains any contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making the said assessment, the Company considers prepayment and extension terms, features that modify consideration of the time value of money (e.g. periodical reset of the interest rates).

### 1.16.4 Financial Assets at Amortized Cost

A Financial Asset is measured at amortised cost only if both of the following conditions are met:

- It is held within a business model whose objective is to hold assets in order to collect contractual cash flows.
- The contractual terms of the financial asset represent contractual cash flows that are solely payments of principal and interest.

Subsequently, these are measured at amortised cost using the effective interest rate (EIR) method less any impairment losses.

### 1.16.5 Financial Assets at Fair Value through Other Comprehensive Income ('FVTOCI')

A Financial Asset is measured at FVTOCI only if both of the following conditions are met:

- It is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- The contractual terms of the financial asset represent contractual cash flows that are solely payments of principal and interest.

## **IFCI INFRASTRUCTURE DEVELOPMENT LIMITED**

**CIN: U45400DL2007GOI169232**

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN) /

Subsequently, these are measured at fair value and changes therein, are recognised in other comprehensive income. Impairment losses on said financial assets are recognised in other comprehensive income and do not reduce the carrying amount of the financial asset in the balance sheet.

### **1.16.6 Financial assets at Fair Value through Profit and Loss (FVTPL)**

Any financial instrument, which does not meet the criteria for categorisation as at amortised cost or as FVOCI, is classified as at FVTPL.

Subsequently, these are measured at fair value and changes therein, are recognised in profit and loss account.

### **1.16.7 Investment in equity instruments**

All equity investments in scope of Ind AS 109 (i.e. other than equity investments in subsidiaries / associates / joint ventures) are measured at FVTPL.

Subsequently, these are measured at fair value and changes therein, are recognised in profit and loss account. However, on initial recognition of an equity instrument that is not held for trading, the Company may irrevocably elect to present subsequent changes in fair value in OCI. This election is made on an investment-by-investment basis.

### **1.16.8 Financial liabilities and equity instruments**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss or amortised cost, as appropriate and is accordingly accounted for.

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company is recognised at the proceeds received, net of directly attributable transaction costs."

### **1.16.9 Measurement Basis**

#### **(i) Amortised cost**

Amortised cost is the amount at which the financial asset or financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortisation using the EIR method of discount or premium on acquisition and fees or costs that are an integral part of the EIR and, for financial assets, adjusted for any loss allowance.

#### **(ii) Fair Valuation**

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date. The fair value of a liability reflects it non – performance risk.

When one is available, the Company measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis. If there is no quoted price in an active market, then the Company uses valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction."

### 1.16.10 De-recognition / Modification of Financial Assets and Financial Liabilities

#### (A) De-recognition of Financial Assets and Financial Liabilities

##### (i) Financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily de-recognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. The Company also recognise a liability for the consideration received attributable to the Company's continuing involvement on the asset transferred. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

On de-recognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset de-recognised) and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognised in OCI is recognised in profit or loss.

## **IFCI INFRASTRUCTURE DEVELOPMENT LIMITED**

**CIN: U45400DL2007GOI169232**

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

### **(ii) Financial liabilities**

The Company de-recognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

### **(B) Modifications of financial assets and financial liabilities**

#### **(i) Financial assets**

If the terms of a financial asset are modified, the Company evaluates whether the cash flows of the modified asset are substantially different. If the cash flows are substantially different, then the modification results in de-recognition of the original financial asset and new financial asset is recognised at fair value.

If the cash flows of the modified asset are not substantially different, then the modification does not result in de-recognition of the financial asset. In this case, the Company recalculates the gross carrying amount of the financial asset and recognises the amount arising from adjusting the gross carrying amount as a modification gain or loss in profit or loss. Any costs or fees incurred adjust the carrying amount of the modified financial asset and are amortised over the remaining term of the modified financial asset by recomputing the EIR rate on the instrument.

If such a modification is carried out because of financial difficulties of the borrower, then the gain or loss is presented together with impairment losses. In other cases, it is presented as interest income.

#### **(ii) Financial liabilities**

The Company de-recognizes a financial liability when its terms are modified and the cash flows of the modified liability are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

If the modification is not accounted as derecognition, then the amortised cost of the liability is recalculated by discounting the modified cash flows at the original EIR and the resulting gain or loss is recognised in profit or loss. Any costs or fees incurred adjust the carrying amount of the modified financial liability and are amortised over the remaining term of the modified financial liability by recomputing the EIR rate on the instrument."

### **1.16.11 Offsetting of Financial Instruments**

Financial Assets and Financial Liabilities are offset and the net amount is reported in the balance sheet when the Company has a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

### 1.16.12 Impairment of Financial Assets

The Company recognises impairment allowances for ECL on all the financial assets that are not measured at FVTPL. No impairment loss is recognised on equity investments.

ECL are probability weighted estimate of credit losses. They are measured as follows:

- Financial Assets that are not credit impaired – as the present value of all cash shortfalls that are possible within 12 months after the reporting date.
- Financial Assets with significant increase in credit risk but not credit impaired – as the present value of all cash shortfalls that result from all possible default events over the expected life of the financial asset.
- Financial Assets that are credit impaired – as the difference between the gross carrying amount and the present value of estimated cash flows
- Undrawn Loan Commitments – as the present value of the difference between the contractual cash flows that are due to the Company if the commitment is drawn down and the cash flows that the Company expects to receive with respect to trade receivables and other financial assets, the Company measures the loss allowance at an amount equal to lifetime expected credit losses.

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets. For financial assets at FVTOCI, the loss allowance is recognised in OCI.

### 1.16.13 Write-off of Financial Assets

Financial assets are written off (either partially or in full) when there is no reasonable expectation of recovering a financial asset in its entirety or a portion thereof. This is generally the case when the company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write – off. This assessment is carried out at the individual asset level.

However, financial assets that are written off could still be subject to enforcement activities under the group's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit or loss.

### 1.17 TRADE RECEIVABLES

**Overview of Trade Receivables** - Trade receivables represent the total amounts that a company has invoiced to customers for goods and services that it has delivered but for which it has not yet received payment. As such, trade receivables are included on the assets side of the balance sheet within current assets.

According to Ind AS 115, at initial recognition, an entity shall measure trade receivables at their transaction price if the trade receivables do not contain a significant financing component in accordance with Ind AS 115.

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

Ind AS requires that trade receivables be classified as current if they are likely to be realized within the business's operating cycle. For outstanding trade receivables, the aging schedule prescribed in Schedule III of Ind AS must be provided.

**Overview of Expected Credit Loss** - In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets:

Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits and trade receivables.

Financial assets that are debt instruments and are measured as at FVOCI Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of IND AS 115.

The Company follows Simplified approach for recognition of impairment is allowance on trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

At each reporting date, for recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of lifetime ECL which results from default events that are possible within 12 months after the reporting date.

**Measurement of expected credit losses** - Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

**Presentation of allowance for expected credit losses in Profit & Loss and balance sheet**

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

ECL impairment loss (or reversal) during the year is recognized as income/ expense in profit or loss. The balance sheet presentation for various financial instruments is described below:

- a) Financial assets measured at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The Company does not reduce impairment allowance from the gross carrying amount.
- b) Debt instruments measured at FVOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

**Write-off** - The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

**Conclusion** - The total expected credit loss is significantly calculated applying above mentioned ECL framework using 'simplified approach' as mentioned in IND AS 109 and ultimate ECL amount is dependent on the ageing profile of the trade receivables at the calculation date and not merely the average of the total bad debts written off in the past.

### 1.18 FOREIGN CURRENCY TRANSACTIONS

The expenses and income in foreign exchange transactions are accounted for at the rates prevailing on the date of transactions / at the forward rate, if booked, for such transaction. Assets and liabilities held in foreign currencies and accrued income and expenditure in foreign currencies are translated into Indian Rupees at the rates advised by Foreign Exchange Dealers Association of India (FEDAI) prevailing towards the close of the accounting period. Gains / losses, if any, on valuation of various assets and liabilities are taken to Statement of Profit & Loss.

### 1.19 REVENUE RECOGNITION

- i. Rental income from Investment Property / Flats held as Inventories is recognized on a straight – line basis over the period of lease terms.
- ii. Interest income is reported on an accrual basis using the Effective Interest Rate method.
- iii. Interest Income from Bank Deposits is recognized on accrual basis on a time proportion basis.

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

- iv. Income by way of Fees for Project Advisory and Execution services is recorded on accrual basis as per services rendered pursuant to the specific service agreements.
  - v. Revenue from the external project services is recognized based on the Cost-plus method. A fixed mark-up percentage is added to the cost incurred towards construction and the total is recognized as revenue. The stage of completion is determined on the basis of work completion certificate obtained from the engineer/ architect.
  - vi. Revenue from real estate development of constructed properties is recognized based on the "percentage of completion method". Sale consideration as per the legally enforceable Agreements to Sell entered into is recognized as revenue based on the percentage of actual project costs incurred to total estimated project cost, subject to following:
    - a. Actual cost incurred is not less than 25 percent of the total estimated project cost.
    - b. No significant uncertainty exists regarding receipt of consideration from the customers.
    - c. In case of overdue, on actual realization basis.
    - d. All significant risks and rewards are transferred to the customer.
- Project cost includes cost of land, estimated cost of construction and development of such properties. The estimates of the saleable area and costs are reviewed periodically and effect of any changes in such estimates recognized in the period such changes are determined.
- vii. Revenue from hospitality services is recognized on accrual basis.
    - a. Selling price is determined on the basis of published rack rate less discount offered to customers.
    - b. Income in foreign exchange: The bills for services rendered are raised in Indian Rupees. The payment received in foreign currency against these bills, is credited and accounted for at the rate / rates prevalent on the date of receipt of payment. The gains/ losses arising out of the fluctuation in the exchange rates are accounted for on realization.
  - viii. Dividend income is recognized at the time the right to receipt is established.
  - ix. Other items of income are recognized in the statement of profit and loss when control of respective goods or service has been transferred to customer.
  - x. The company shall recognize revenue in accordance with Ind AS 115 – "Revenue from Contracts with Customers" as and when any such revenue instance occurs.

### 1.20 DIVIDENDS

Dividends and Dividend Distribution Tax thereon are recognised if and only when the same are approved by the shareholders in the general meeting and consequently paid to the shareholders.

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

### 1.21 EMPLOYEE BENEFITS

Employee benefits are all forms of consideration given by the company in exchange for service rendered by employees. Employee benefits include: short – term employee benefits, post – employment benefits and other long – term employee benefits.

#### **Short Term Employee Benefits**

When an employee has rendered service to the company during an accounting period, the company recognises the undiscounted amount of short-term employee benefits expected to be paid in exchange for that service as a liability (accrued expense), after deducting any amount already paid and as an expense. Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

#### **Defined Benefit Plans – Gratuity & Leave Encashment**

Defined benefit plans are those plans that provide guaranteed benefits to certain categories of employees, either by way of contractual obligations or through a collective agreement. The company operates unfunded defined benefit plan. The cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each fiscal year end. The obligation recognized in the consolidated statements of financial position represents the present value of the defined benefit obligation.

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current costs and the fair value of any plan assets, if any is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Accrued Benefit Method (same as Projected Unit Credit Method), which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government securities as at the balance sheet date. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contribution to the plan.

The change in defined benefit plan liability is split into changes arising out of service, interest cost and re-measurements and the change in defined benefit plan asset is split between interest income and re-measurements. Changes due to service cost (which is the increase of the present value of the

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

defined benefit obligation resulting from the employee service in the current period) and net interest cost / income (which is the change during the period in the defined benefit liability that arises from the passage of time) is recognized in the statement of profit and loss. Re-measurements of net defined benefit liability / (asset) which comprise of the below are recognized in other comprehensive income:

- Actuarial gains and losses;
- The return on plan assets, excluding amounts included in net interest on the net defined benefit liability (asset)

### 1.22 INCOME TAX EXPENSE

Income Tax expense comprises of current tax (i.e. amount of tax for the period determined in accordance with the Income Tax Act, 1961) and deferred tax charge or credit (reflecting the tax effects of temporary differences between tax base and book base). It is recognised in profit or loss except to the extent that it relates to a business combination, or items recognised directly in equity or in OCI.

#### 1.22.1 Current Tax

Current tax is measured at the amount expected to be paid in respect of taxable income for the year in accordance with the Income Tax Act, 1961. Current tax comprises the tax payable on the taxable income or loss for the year and any adjustment to the tax payable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Minimum Alternative Tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as current tax in the statement of profit and loss. Current tax assets and liabilities are offset only if, the company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

#### 1.22.2 Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax assets are reviewed at each reporting date and based on management's judgement, are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves.

Unrecognized deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if the Company:

- a) has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

#### 1.22.3 Current and Deferred Tax for the year

## IFCI INFRASTRUCTURE DEVELOPMENT LIMITED

CIN: U45400DL2007GOI169232

Regd. Office – 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

### 1.22.4 Minimum Alternate Tax (MAT)

The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

### 1.23 PRIOR PERIOD ITEMS

Material prior period errors are corrected retrospectively by restating the comparative amounts for prior period presented in which the error occurred or if the error occurred before the earliest period presented, by restating the opening statement of financial position.

### 1.24 EARNINGS PER SHARE

Basic earnings per share is computed using the net profit for the year attributable to the shareholders and weighted average number of shares outstanding during the year.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholders and weighted average number of equity and potential equity shares outstanding during the year, except where the result would be anti-dilutive.

### 1.25 SEGMENT REPORTING

The Company operates in two reportable business segments namely – ‘Real Estate Activities’ comprising of Advisory and Execution Services, Purchase and Sale of Properties and Construction and Development of Real Estate Projects and in ‘Hospitality’ provided through Serviced Apartments under the brand name ‘IIDL Suites’.

#### ALLOCATION OF COMMON COSTS

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

### 1.26 CASH FLOW STATEMENT

Cash flow statement is prepared as per indirect method prescribed in the Ind AS 7 – “Statement of Cash Flows”.

Note No. 19 (ii)

Terms / Rights attached to shares

The company has only one class of Equity Shares having a par value of Rs. 10 per share. Each holder of Equity Share is entitled to 1 vote per share. The dividend proposed by Board of Directors is subject to approval of shareholders in the ensuing Annual General Meeting. In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

For the above case, appeal has been filed with GST Deptt.

#### Note No. 47 (ii)

Sonipat Land, Regional Provident Fund Commissioner - II, for the property situated at village- Sevli, District- Sonipat, Haryana has ordered for the recovery of those defaulted by the earlier company, i.e. Haryana Sheet Glass Limited (HSGL). A writ Petition has been filed by IIDL against the restrain order of EPFO for sale of property situated at Sonipat in lieu of dues of M/s Haryana Sheet Glass for PF dues. The property was sold by IIDL in an auction proceeding pending execution of sale deed. Hon'ble court allowed the sale of property and execution of sale deed on deposit of demand raised by EPFO with the registry of High Court. Now the matter is sub judice before the Hon'ble court.

#### Note No. 47 (iii)

The Company has received a notice from AIG Stamp Ghazlabad, for the 21st Milestone Residency project land, Ghaizabad, (U.P.), for short payment of stamp duty amounting to Rs. 150.02 Lakhs. The Honable high court has granted stay in favour of the company & the case is pending for the further hearing.

Regd. Office - 7th Floor, IFCI Tower, 61 Nehru Place, New Delhi - 110 019 (IN)

## CONSOLIDATED NOTES FORMING PART OF BALANCE SHEET as at 31 March 2025

### Note No. 47 (iv)

The Company is contesting several matters pertaining to its project 21st Milestone Residency at Ghaziabad before Real Estate Regulatory Authority/Real Estate Appellate Tribunal/ Delhi State Consumer Disputes Redressal Commission/National Consumer Disputes Redressal Commission. In the matter of Sumit Gupta, recovery certificate issued by the RERA authority against which the company has filed an appeal before REAT. Wherein as per the direction of the tribunal, the company has deposited an amount of Rs. Rs.2,02,293/-. In the matter of Sanjay Kumar Gupta, recovery certificate of Rs. 12,91,286/- has been issued by RERA, the company has filed an appeal before REAT and the matter is subjudice. The other matters are sub judice before the concerned authority/ court.

### Note No. 47 (v)

The Company is contesting several matters pertaining to its IIDL Aerie Project at Panampilly Nagar, Kochi, Kerala, before Kerala Real Estate Regulatory Authority/ Kerala State Consumer Disputes Redressal Commission/ Supreme Court of India. The matters are sub judice before the concerned authority/ court.

### Note No. 47 (vi)

The Arbitrator passed an award on 21.02.2022 observing that the Claimant has been found entitled to a total sum of Rs. 4,42,47,534/- as against sum of Rs. 2,00,60,587/- held recoverable by IIDL from SBTL under its Counter Claim with respect to amount to be recovered from M/s. SBTL from its retention money for work done by IIDL and Rs. 1,00,00,000/- towards liquidated damages recoverable under the Counter Claim of IIDL. Setting off the said amount against the amount found payable to SBTL, SBTL shall be entitled to a sum of Rs. 1,41,86,947/- only.

Accordingly, an award of Rs. 1,41,86,947/- in favour of SBTL in full and final settlement of all the disputes and the claims and the counter claims arising from the disputes along with interest on the amount awarded in the favor of SBTL @ 9%p.a from 5.08.2019 till the date the awarded amount is paid, passed by the Arbitrator. Further, SBTL shall also be entitled to proportionate costs of arbitration proceedings @ Rs. 15,00,000/-. The same paid to SBTL on 26-07-2022. The matter is Subjudice before DHC.

### Note No. 47 (A)

In 2011, the Management Development Institute (MDI) Murshidabad entered into a Memorandum of Understanding (MoU) with IIDL for the development and construction of its campus in Murshidabad, West Bengal. As per the MoU, MDI agreed to reimburse IIDL for any claims upheld by an arbitrator or court of law related to the project.

During the campus construction, a dispute arose between IIDL and one of its contractors, M/s. Subir Engineering Works Private Limited (SEWPL). On January 25, 2018, the Hon'ble Arbitral Tribunal awarded SEWPL ₹7.68 crore, along with 6% annual interest from October 27, 2016, until full payment. IIDL challenged the arbitral award through petitions under Sections 34 and 37 of the Arbitration & Conciliation Act, 1996, before the Hon'ble High Court of Delhi, and later via a Special Leave Petition (Civil) before the Hon'ble Supreme Court of India. All appeals were dismissed, with the final dismissal by the Supreme Court on February 3, 2025. IIDL subsequently settled the full award amount, including interest, totalling ₹10.03 (6.03 + 4) crore, by February 13, 2025.

In accordance with the recovery clause in the MoU, IIDL issued a demand letter to MDI on March 26, 2025, for reimbursement being the balance amount of ₹7.52 crore (7.17 + 0.35) comprising ₹3.09 crore towards VAT claims and ₹2.35 towards interest along with legal expenses and retention money. A receivable for this amount has been recorded in IIDL's books of accounts. However, as no confirmation has been received from MDI as of the reporting date, a provision has been made for the entire receivable amount to account for potential non-recovery.

### Note No. 48 - Disclosure as per IndAS - 11 Construction Contracts

(i) IIDL has constructed a campus for MDI Gurgaon at Jangipur, District - Murshidabad, West Bengal. The financials relating to the contract are as under:

PARTICULARS	(₹ in Lakhs)
Contract	
Contract revenue recognized during the year	-
Contract expenses recognized during the year	-
Recognized Profits	-
Total Contract Costs (approx.)	-
Amount recoverable from MDI	752.13

-Cost-plus Contract Method has been used to determine the Contract revenue recognized in the period.

-The stage of completion has been determined on the basis of Work Completion Certificate obtained from engineer / architect.
